The Office for Students in Transition supports the academic, social and personal transitions of all undergraduate students, with a particular focus on high school, first-year, transfer and non-traditional students. If you have a question or concern, and you do not know where else to go, stop by 42 Solon Campus Center. We will answer your questions, address your concerns, or point you to the right person or office that can! We also provide a variety of leadership opportunities and we have a great study space for all students. We are here for you!

Bus Route Info
Free with your U-Card! Pick up and drop off is outside of the Kirby Plaza UMD stores. Route info available at the bus stop and at www.duluthtransit.com

Try google.com/transit to play your trip! It will tell you exactly what buses to take and when.

The #6, #11, #12, and #13 buses will get you downtown and you can pick them up at Kirby Plaza. Get off at the Holiday Center/Transit Center downtown and you can transfer to a #10 or #10H bus to the Mall or #15 to Park Point (but not on Sunday). Check the website to make sure your connection times work. On the weekend, the 13 bus will take you to the mall without switching. You can always ask the drivers for help planning a route!
