The University of Minnesota is an equal opportunity educator and employer.
Support our mission of teaching, research, and outreach, and leave your legacy to the Labovitz School of Business and Economics (LSBE) building through a gift of $2,500 or more to the Continuous Improvement Endowment Fund.

Your name can be permanently inscribed on the Alumni and Friends Giving Wall located in the LSBE Building. This LEED Gold-certified building offers a 21st-century learning environment to prepare students for the business world.

A gift can be made over a five-year pledge period, and matching gifts from employers count towards the gift.

Your generosity will permit us to add depth to our exceptional programs and to respond to the needs of our learning community and profession.
