Lucy

Lucy is a Whippet, a breed that is over 200 years old from northern England. One term for the Whippet was the poor man’s race horse. The job of the Whippet was to dispatch rabbits and bring them home to the family for rabbit stew. Lucy has her companion dog certification, and is working on companion dog excellent. She also has her novice agility and therapy dog certification. We go to nursing homes, assisted living, and schools for reading with students.
