### CLASS SCHEDULE INFORMATION

**http://www.d.umn.edu/courseinfo**

- The online version of the class schedule updates continuously with class size information. [http://z.umn.edu/courseschedule](http://z.umn.edu/courseschedule)
- The printable PDF version of the class schedule is current as of the document date.
- University policies and procedures appear at the UMD and UMN Policy Libraries and within this guide.
- Collegiate policies are available in the catalog and on the college websites.

### RIGHT TO PRIVACY

Federal and state legislation define your right to access files containing information about you. These same regulations place certain safeguards against release of information about you to third parties without your permission. Most, but not all, record files are open to your inspection. Each unit of the University that maintains an educational file will allow you to review the contents of that file and request changes of inaccurate data.

The first point of contact regarding such inspection should be the University department responsible for the file about which you have questions. Questions may be directed to One Stop Student Services, (218)726-8000 or 23 Solon Campus Center.

**Directory Information Suppression:**

- Activate directory suppression if you do not want your address, phone number, or email address available to the public.
- Activate directory suppression by the end of the **second week of fall semester** so no information about you will appear in the campus directory.

**How:**

1.) Go to [http://www.d.umn.edu/onestop](http://www.d.umn.edu/onestop).
2.) Under Quick Links in the right-hand column, under Student records tools, click on Personal Information.
3.) At the Personal Information page, choose Directory Suppression from the drop down menu, and follow the instructions.

STUDENT RESPONSIBILITY

Key Points:

- Know UMD and Collegiate registration policies
- Protect your information when using public computer labs
- Check course prerequisites
- Check your Enrollment Summary often before class starts, as it provides the most up-to-date class information.
- Cancel classes before the refund periods end
- Pay for all enrolled classes
- Ask for help at One Stop Student Services

The policies in this publication directly affect your registration. You are responsible for information contained in this publication: avoid potential problems by reading carefully through the various sections and by checking the prerequisites for all your courses. You can receive credit only for those courses for which you are properly registered. Likewise, you must pay for any course for which you register unless you officially cancel online or at One Stop Student Services, 23 Solon Campus Center, during the 100% refund period. If you cancel after the 100% refund period, you must pay for any portion of the course for which you do not receive a monetary credit. In addition, if you attend a class without registering for it, you will be considered an auditor in the course and will be billed for full tuition and fees.

The general registration instructions in this publication apply to all students. In addition, your course of study falls under policies established by your college. These policies are contained in your catalog and in other materials issued by your college. You are also responsible for knowing and following the policies of your college. Students in the graduate school have additional specific registration instructions.

By registering for classes, you enter into a legally binding contract to pay all tuition and fees, including any nonrefundable fees.

REGISTERING FOR CLASSES

http://www.d.umn.edu/onestop/registration

Monday–Saturday, 5:30 a.m.–4 a.m.
Sunday, 12:30 p.m.–4 a.m.

Steps to follow to register:

1. Go to the Registration page on the One Stop Student Services website http://www.d.umn.edu/onestop/registration. Under Tools click on Web Registration. Sign on using your Internet ID and password (UMD email username and password). If you haven’t already set up this account, visit https://www.umn.edu/initiate? and authenticate yourself. Once you enter this information, click “submit”. A screen will come up telling you that you have successfully logged on. Don’t close this screen—you will need to keep this screen active while you register.

   - When Can I Register?—Find out your registration time and date. If this is your first term at the University and you have not been ad-

   mitted to a degree program, you must register in person at Continuing Education, 104 Darland Administration Building, or call (218) 726-8113.

   - Check for Holds: Always check before managing your classes, some may prevent registration. Holds can be added at anytime.

2. Use degree audit (APAS) to know what classes to take.

   - Course Information: Check out the online Class Schedule at http://z.umn.edu/courseschedule. The PDF version can be used to obtain a printed copy, but the information is not updated.

   - To locate courses and create a tentative schedule use the class search at http://z.umn.edu/classsearch.

3. Register at your registration appointment (queue) date and time (or during open enrollment).

   - Click on “Add or Change Classes”.

   - Select the appropriate term.

   - Be sure to complete the mandatory health insurance information which comes up on all initial registrations.

   - Enter the class number, select the grading option (A-F, Satisfactory-Not Satisfactory, Audit), variable credits, and enter authorization Permission number, if needed, for each class.

   - To register for courses that overlap, you must submit an approval form signed by instructors of both courses, to One Stop Student Services. You will be notified of the decision.

   - Repeat these steps for each class. Click “Done” to go back to the registration home page.

4. View or print your Enrollment Summary. Select the appropriate term. You may print a calendar view or “Customize Your Enrollment Summary” using the “select” boxes. Click “submit” when finished.

5. If you are printing from one of the labs on campus, you will see the additional print screens come up that send this image to the printer in those locations.

   Class fee assessment is separate from enrollment. Your bill from Student Accounts Receivable is sent by email.

6. Need to make changes?: Click on the link to add or change classes and follow the steps listed above. Use the “swap” option if adding and dropping at the same time.

7. Protect your information. Before you leave the website and the workstation:

   - Close any open registration screens.

   - Log out of your account validation screen (remember to do this so the next person at that location does not access the system using your ID and password).

   - Close your browser.

If you have a hold on your record, you may not register, or in many cases obtain transcripts or receive financial aid, until that hold is cleared with the office imposing the hold. A hold may be imposed for financial indebtedness to the University (e.g., for unpaid library fines, unpaid tuition/fees) or for disciplinary, scholastic, or procedural reasons. Check for holds on your record by clicking “Check for Holds” on the registration web page. You will be informed of any recent holds when you attempt to register.

GRADUATE SCHOOL REGISTRATION INSTRUCTIONS

New Students—Registration information will be included with the letter of admission.

Registration Deadlines—Students in the graduate school must register no later than the end of the second week of the semester.

This is the last day to:
- register
- add a course or change sections of a course
- change grading option, including changing to or from audit status
- cancel a course without a W appearing on your record.

All changes in registration require your adviser’s signature. Courses may be cancelled through the eighth week of the semester.

Continuous Registration—All Graduate School students must register in the Graduate School every fall and spring term in order to maintain active status. Students not registered every fall and spring term are considered to have withdrawn; their Graduate School records are deactivated. Those who wish to resume graduate work must request readmission to the Graduate School (and if readmitted, must register) to reactivate their status.

GRAD 999 is a zero-credit, zero-tuition, non-graded registration option for Graduate School students who must register solely to meet the Graduate School’s registration requirement. GRAD 999 does not meet any other internal/external departmental or agency requirements. Other than requiring Graduate School students to hold active student status, the Graduate School does not impose any eligibility requirements on GRAD 999 registrations. However, individual graduate programs may establish their own eligibility criteria. Students considering registering for GRAD 999 should first check with their graduate program. For more information on GRAD 999, visit http://www.grad.umn.edu/students/registration/spcc.

Thesis Credit—All students are required to register for thesis credits before receiving a Plan A master’s degree (at least 10 credits of 8777 required), or a Ph.D. or Ed.D. degree (at least 24 credits of 8888 required).

Tuition for thesis credits is assessed the same way course credits are assessed, with both resident and nonresident rates.

You must register for all thesis credits under your major field course designator. In most cases, your course designator will match that of the department in which you take your major field courses. Some major fields will share a single designator, while new designators have been created for interdisciplinary graduate programs. Consult the course listings for the proper designator and current call numbers.

If you have any questions about registering for thesis credits, including which course designator to use, contact your director of graduate studies.

Tuition Benefits for Graduate Assistants—All graduate assistants with appointments of at least 25% will receive a tuition benefit. Students appointed between 25% and 50% (195–390 hours per semester) will receive prorated tuition benefits. For example, a 25% appointment (10...
hours per week for 19.5 weeks for a total of 195 hours) would receive a half tuition benefit. Graduate assistants are defined as those students who have appointments as teaching assistants, research assistants, administrative fellows, etc.

More information on tuition benefit eligibility and procedures is available through your department or the Office of Vice Chancellor for Academic Administration.

Maximum Credits—The maximum credit load for fall and spring semesters is 18. If additional credits are to be taken, you will need approval from the graduate school.

Grading Option—Two grading systems, A–B–C–D–F and S–N, are used in the graduate school. You must designate your grading option for each course at registration. However, if either “A–F only” or “S–N only” is printed after the prerequisite statement for a course, you must register for that grading system.

THE FIRST WEEK OF CLASS

Teaching and Learning Responsibilities:
http://www.d.umn.edu/vcaa/TeachingLearning.html

Mandatory Attendance—
• You must attend the first class meeting of every course in which you are registered, unless you obtain approval for your intended absence before the first meeting.
• Without prior approval, you may lose your seat to another student.

Gaining Admission to a Closed Class. It may be possible to register for a course that has closed.

• After the second day of the term (including classes listed as open within the online Class Schedule) Obtain permission from the instructor or Department.
• After the second week of the term Use the Add a Course after the Second Week of the Term form located at http://www.d.umn.edu/onestop/forms/registration to obtain permission.

To register for two classes that conflict (overlapping times or days), use the Time Conflict Approval form to obtain permission. http://www.d.umn.edu/onestop/forms/registration

Permission numbers are valid only through the end of the second week. Each college determines how their students obtain permission numbers.

Deadline dates (to register, waitlist, cancel, add a class, etc.), are available online at http://www.d.umn.edu/onestop/calendar.

Senior Citizen Education Program (SCEP)—Minnesota residents who are 62 or older are eligible for registration through the SCEP and may register after the initial or second week of the semester. Students who are 62 or older are eligible for registration through the SCEP and may register after the initial or second week of the semester. Approval of the request would be given with the understanding that the student would be assigned a “W”.

Check with your college for specific regulations governing cancellations and additions in your program.

CHANGE OF REGISTRATION

Subject to certain limitations, you may add or cancel classes or may change grading options. Course additions and changes to or from S–N grading are generally allowed without penalty during the first two weeks of the semester, or before. Additions and changes require the instructor’s permission after the second day of the semester. Courses may be added during the first two weeks of the semester with permission numbers from the instructor or department; after the second week, courses cannot be added and permission numbers are no longer valid. Permission numbers will also be required during the first two weeks for courses that are closed or have unmet course requirements.

Graduate students also must obtain their adviser’s approval for any change in registration.

If you decide to stop attending a course, or courses, for which you are registered, you must officially cancel. You must cancel a course in the first two weeks to delete it from your record; cancellation during the third through eighth week results in a W (withdrawal) on your record. Students are generally not permitted to cancel courses after the eighth week of the semester. Students who feel they have an extenuating circumstance may submit a University of Minnesota Duluth Petition form located at http://www.d.umn.edu/onestop/forms/pdf/petition.pdf. Approval of the request would be given with the understanding that the student would be assigned a “W”.

Check with your college for specific regulations governing cancellations and additions in your program.

REFUND POLICY

Tuition and Fees—There are no retroactive refunds for either cancelling a class or withdrawing from a semester.

• The official cancellation date of a course is the date used to determine your refund amount.
• Refunds apply to tuition, the student services fee, and course fees but not to certain special fees.
• Special consideration will be given for course cancellation due to medical problems, attendance at other academic institutions, rules of individual academic departments or, active military duty. You must provide documentation for exemption from the refund policy using the Tuition Refund Appeal form (http://www.d.umn.edu/onestop/forms/student-account).

Tuition and course fees are refunded on the following schedule:

• 100% refund through Tuesday of the second week of the semester,
• 75% during the second week
• 50% during the third week
• 25% during the fourth week; and 0% thereafter. Shorter-length courses have an abbreviated refund schedule.

Unless you officially cancel, you will be held responsible for full tuition and fees for all courses on your registration.

• Failure to attend class does not by itself constitute cancellation.

2012-2013

Academic Year

Revised August 31, 2012
• Cancel officially before the first day of classes if you decide before the semester begins not to attend the courses for which you are registered.

• Billing statements for your tuition and fees will occur for all registered (non-cancelled) courses. Additional late payment penalties and a hold will be placed on your record unless full payment is received by the due date on your billing statement.

Individualized Instruction (INI) Courses—INI courses follow the regular class refund schedule. Unless otherwise noted in the course listing, INI refunds are based on the date you register for the course.

As with any UMD course, a student can drop an INI course online through the eighth week of the semester; however, because the time periods for INI courses are unique, tuition will not always calculate correctly. To ensure a correct refund, contact Continuing Education Registration at 217-726-8113 or 104 Darland Administration Building, to drop an INI course. If you do drop the INI course online yourself and do not receive the correct refund, contact Continuing Education to research and work with One Stop Student Services to have an adjustment made.

After the eighth week of the semester, drop requests for INI courses are done by petition.

IMPORTANT NOTICES

Attendance at Another U of M Campus—A consortium agreement exists among the four campuses of the University of Minnesota for purposes of allowing students to attend another campus. Under this agreement you are allowed to attend another campus for one term during an academic year without losing your status or jeopardizing your eligibility for student financial assistance programs at your home campus. The terms will consist of fall, spring, and summer. Each college will review a student’s request for attending consecutive terms and evaluate the reason. Multiple registrations are generally discouraged but exceptions may be granted. Additionally, continued requests for exception to this policy must be reviewed with prudent forethought to minimize risk.

Multi-institutional students fall into two categories:

1. Students who are registered on two campuses for one term. For example, you are registered at UMD (home campus) but want to take a distance learning course from another University of Minnesota campus (host campus).

2. Students who want to register at another University of Minnesota campus (host campus) instead of at UMD. For example, you want to take courses not offered at UMD.

If you are a financial aid recipient, you will want to make sure that the course(s) you plan to take at another campus are eligible for financial aid. Except for private education loans and the Minnesota State Grant, financial aid programs administered by UMD’s Office of Financial Aid and Registrar (OFAR) cannot be applied to any extended-term courses. On the Twin Cities campus, these are designated as extended term Online and Distance Learning (ODL) sections on the website.

A Board of Regents policy caps your tuition and fees at the 13-credit plateau of your home campus for the classes you take each term on multiple campuses. Extended term ODL courses are included in the plateau. This does not apply to Study Abroad students since a program fee is assessed instead of tuition and fees.

If you are assessed Student Services Fees from both campuses, you have the option of paying it to the campus of your choice. Where you pay the

You will not be allowed to complete a major or minor on one campus while completing the degree requirements on another campus.

If you are interested in attending another University of Minnesota campus in this manner, print an Application for Attending Another U of M Campus as a Multi-Institutional Student form at http://www.d.umn.edu/onestop/forms/student-records. Complete the application, have it signed by the student affairs/advising office in your collegiate unit, and turn it in at One Stop Student Services, 23 Solon Campus Center. It is recommended that you do this at least a month prior to the start of the term.

Auditing Courses—To audit a course, you must follow the same registration procedures and pay the tuition fee and fees as for courses bearing credit. Audited courses do not carry credits or offer grades, may not be used to fulfill degree requirements, and do not count toward financial aid eligibility. To register as an auditor, select the “audit” option and complete your registration by the end of the second week of the term. At the end of the term, a V (visitor) will be recorded on your transcript.

Cancel/Add Policy—Cancel/add requests can be processed after the initial registration and according to appropriate policies and procedures. See http://d.umn.edu/onestop/calendar/cancel-add-refund-dates

Cancelled Courses—The University reserves the right to balance and cancel courses. In these cases, the University will remove that course from your record and send you an email message notifying you of the cancellation.

Change of Address—It is the responsibility of each student to keep the University informed of any change in current or permanent address, either online during registration or at any other time.

Change of UMD College—Carefully read the appropriate instructions that are included with the application, then, submit to the student affairs/advising and academic services office of the collegiate unit you wish to transfer to, your Application for Undergraduate Change of College (UMD campus) http://www.d.umn.edu/onestop/forms/pdf/Application_for_Undergraduate_Change_of_College_(UMD_campus).pdf and planned APAS (found in your Preliminary Graduation Plan).

It may take one-to-two weeks for an Application for Undergraduate Change of College (UMD campus) to be fully processed, depending on the time of the semester. If you are considering a change and want to register as a student in your new major, plan to submit forms to the collegiate unit that offers the new major at least two weeks prior to your scheduled registration time for the next semester.

Change of Name—An accurate name on your official academic record is the responsibility of every student. Submit the Name Change form along with required documentation. http://d.umn.edu/onestop/forms/pdf/student_name_change_request.pdf
Continuing Education (CE)—The Class Schedule contains CE courses. The number of seats reserved for CE students is listed with each course. For further information, see the CE catalog or call (218) 726-8113.

Credit Load—To qualify for certain programs and for maximum benefits in others, you must carry a minimum of 12 credits. These programs include varsity athletics and maximum benefits for Social Security, veterans, orphans of war veterans, state rehabilitation programs, certain scholarships, and financial aid. You must notify the Office of Financial Aid and the Office of the Registrar whenever you drop below 12 credits.

If you receive aid from the Minnesota State Grant Program, you must notify the One Stop Student Services if you drop below 15 credits. The State of Minnesota has defined full-time status as 15 credits for the Minnesota State Grant Program. Any change in credit totals will affect your Minnesota State Grant.

You are allowed to register for a maximum of 20 credits per semester. Students wishing to register for more than 20 credits per semester must submit a Term Credit Overload form (http://www.d.umn.edu/onestop/forms/registration) at One Stop Student Services.

Cross-Registration—UMD undergraduates have the opportunity to register concurrently at the College of St. Scholastica (CSS) and at the University of Wisconsin–Superior (UWS).

Admitted students registering and paying fees for at least 12 credits at UMD can register for a combined maximum of two courses per term at CSS and UWS. Class schedules for CSS and UWS must be requested from each school; they are also available online. Additional UMD tuition for cross-registered courses will be assessed as if the courses had been taken at UMD. Information and registration forms are available at 104 Darland Administration Building.

When the CE registration appointment (queue) begins, CSS and UWS students who are cross registering at UMD may register at 104 Darland Administration Building. To take classes in the Labovitz School of Business and Economics, contact the LSBE Student Affairs Office, 111A LSBE, before registering.

Dual Degree, Undergraduate—If you are interested in pursuing more than one degree (i.e., B.A. and B.S.), and the second degree is in a different collegiate unit than the first, you must complete the Application for Admission to Additional Undergraduate Degree Program Application (Dual Degree) form. http://www.d.umn.edu/onestop/forms. Submit it to the collegiate unit offering the second degree.

An “additional” dual degree program is an undergraduate degree program that is different from the one you have completed or will be completing at the University of Minnesota. For example, you may be interested in pursuing a B.A. degree after completing a B.S. degree. This is different from a second or third major (double or triple major) which may be part of the same degree. Apply for admission to an additional undergraduate degree program only if you intend to complete all degree, major, and coursework requirements for the additional degree. The University of Minnesota “confers” no more than one degree of any degree type to an individual student. For example, a student may not receive more than one B.A. degree from the University of Minnesota. Completion of the major(s) is recorded on your official record and can be verified.

It may take one-to-two weeks for an Additional Undergraduate Degree Program Application (Dual Degree) form to be fully processed, depending on the time of the semester. If you want to register as a student in your new major, submit forms to the collegiate unit at least two weeks prior to your scheduled registration time.

Undergraduate Degree Candidates—It is recommended that undergraduate degree candidates have an official credit check after they have completed 90 credits and before registering for their final semester. Go to the following locations to sign up for a credit check:

- CEHSP Student Affairs/Advising Office, 120 BohH

Financial Aid—Eligibility Requirements—To be considered for financial aid at UMD, you must be admitted to a degree program, maintain satisfactory academic progress, and meet the additional eligibility requirements as outlined http://www.d.umn.edu/onestop/student-finances/financial-aid/eligibility.

How to Apply—All students requesting financial aid at UMD must complete the Free Application for Federal Student Aid (FAFSA). A new application is required for each academic year. Apply online at http://www.fafsa.ed.gov. Apply early because there are application deadlines and limited funding for some financial aid programs.

For information about summer financial aid, check out the UMD One Stop Student Services website at http://www.d.umn.edu/onestop/student-finances/financial-aid/summer.

When to Apply—Due to changes to the Minnesota State Grant program, you must have your FAFSA completed by the deadline in order to be considered for the Minnesota State Grant Program. http://d.umn.edu/onestop/student-finances/financial-aid/types/grants/mn-state.html

Disbursement of Funds—Your aid will be credited to your account on the following anticipated disbursement dates for fall semester, provided that your file is complete (all eligibility requirements have been met) and you have registered for classes. Plan ahead to cover expenses that are due before the beginning of the term (e.g., rent for off-campus housing). SELF loans cannot be disbursed before...
prior to the first day of classes for the term.

**Health Insurance, Student**—The University requires all students admitted to a degree-seeking program, enrolled for six or more credits, and automatically assessed the Student Services Fee to have health insurance. Unless they provide proof of private, verifiable, health insurance coverage during the registration process, students who meet this requirement will automatically be enrolled in the Student Health Benefit Plan. See more information at [http://www.d.umn.edu/onestop/registration/prepare/health-insurance.html](http://www.d.umn.edu/onestop/registration/prepare/health-insurance.html).

**Immunization, Student**—Minnesota law (M.S. 135A.14) requires that all students born after 1956 be immunized against diphtheria, tetanus, measles, mumps, and rubella, allowing for certain specified exceptions. The law also requires the University to collect the information requested and maintain records for all enrolled students born after December 31, 1956.

- Holds will be placed on the records of students not having the Student Immunization Record form on file.
- Further information is available at UMD Health Services, 615 Niagara Court, (218) 726-8155, [http://www.d.umn.edu/hlthserv/](http://www.d.umn.edu/hlthserv/).

**Liberal Education Courses**—Courses that may be used to satisfy liberal education requirements are noted in the parenthetical information following the course number and description (i.e., Lib Ed). See more information at [http://www.d.umn.edu/onestop/degree-planning/lib-eds](http://www.d.umn.edu/onestop/degree-planning/lib-eds).

**Nonattendance after Registration**—If you register but do not attend courses you will be held academically and financially responsible for those obligations associated with registration and withdrawal. See “Mandatory Attendance” on page 7 and “Withdrawal from the University” on page 12.

**Nondegree-credit Courses**—These credits cannot be used for a UMD degree. They are designated with the following statement in parentheses after the course number and title (e.g. SSP 0103): “cr cannot be applied toward a degree”.

When appropriate, the credits may be used in determining financial aid. In some instances the credits may also be used in determining intercollegiate athletic eligibility; contact the Department of Intercollegiate Athletics for information on the effect of nondegree-credit courses on athletic eligibility. Nondegree credits are not included in the total number of UMD credits earned, in the GPA, or in determining student classifications.

---

**Official Enrollment**

- You are officially enrolled only in those courses for which you are properly registered.
- No grades will be recorded in courses for which you are not properly registered.
- By registering for classes, you enter into a legally binding contract to pay all tuition and fees, including any nonrefundable fees.
- Faculty will record a grade for each student listed on the official grade report even if the student does not attend class.

**Prerequisites**—In order to enroll in some courses, you must either complete or concurrently enroll in certain other courses, possess some particular qualifications, and/or class standing. These requirements, known as prerequisites, are listed inside the parentheses after the course titles. If no prerequisites are listed, there are none, except for the class standing requirements indicated by the course number. Students attempting to register in courses for which the prerequisites have not been met must obtain a course approval from the appropriate instructor and/or department.

**Reciprocity**—The University has reciprocity agreements with Wisconsin, North Dakota, South Dakota, and Manitoba. If you are a resident of any of these states or provinces, you may qualify for resident tuition rates with approved reciprocity. Some exceptions:

- If you are participating in off-campus study or study abroad for an academic year or more, you must reapply for reciprocity.
- If you are a student from Wisconsin enrolled in Medical School you are not eligible for reciprocity.
- If summer session is your first registration at the University, you need to reapply for the next academic year.

You must apply for reciprocity prior to the term in which you wish your reciprocity to begin. As soon as you receive an approval letter from your home state, take that letter to One Stop Student Services, 23 Solon Campus Center, for processing—this will update your account at Student Accounts Receivable and will be reflected on your next billing statement. Eligible reciprocity students who attended and earned credit(s) during the academic year at an eligible institution will have their reciprocity benefits automatically renewed at that same institution. Delays in your reciprocity processing will not exempt you from additional billing charges.

For information and application forms, check with your home state reciprocity office.

Reenrolling and changing to a different college—To obtain an Application for Undergraduate Change of College, contact the college office you are changing to, or contact One Stop Student Services at (218) 726-8000. Return your completed change of college application to the appropriate college office (addresses below). You will receive a letter from the college office indicating your admission decision. If you are admitted, you will receive information that your record has been updated. If you are not admitted, you will not be allowed to register in the new college—you may want to explore reenrolling in your previous college. **The Regents Scholarship Program** (http://www.d.umn.edu/umdhr/Forms/regents.htm) covers a portion of tuition costs for eligible employees enrolled in the University credit-bearing courses. The portion covered is:

- 100% of the tuition cost for eligible employees matriculated for the first time in a baccalaureate degree program.
- 75% of the tuition cost for all other eligible employees enrolled in courses covered under the Regents Scholarship Program.

For employees who voluntarily terminate University employment prior to the end of the semester, the Regents Scholarship will cover a pro-rated amount of the tuition it would otherwise have provided, equivalent to the time the person remains employed. For employees whose appointment will end due to a non-renewal of appointment or layoff, the program will cover the Regents Scholarship portion of tuition for the entire semester in which the appointment ends.

For further information on the Regents Scholarship Program, please see http://www.policy.umn.edu/Policies/hr/Benefits/REGENTSSCHOLARSHIP.html.

**Religious Holidays, Absences for**—The University permits absences from class for participation in religious observances. You are responsible for:

- informing your instructors of absences prior to expected absence,
- meeting with your instructors to reschedule any examinations affected by this policy, and
- obtaining class notes from other students.

**Repeating Courses**

**Within the University of Minnesota System:**

- Students may choose either to retake the UMD course at UMD or to take an approved equivalent course anywhere else within the University of Minnesota system.
- Permission to Retake a Course Using an Equivalent Course is required prior to registration.
- Only the last grade recorded is used in calculating the University of Minnesota GPA. Only the most recently completed credits can be applied toward graduation requirements. See Grading and Transcript policy at http://www.d.umn.edu/vcaa/GradingandTranscripts.html.

**Outside the University of Minnesota System:**

- UMD students may take an equivalent course at an institution outside of the University of Minnesota system to replace a course previously completed at UMD only if department approval is granted before registering for the course through a Permission to Retake a Course (or Equivalent Course) form located at http://www.d.umn.edu/onestop/forms/registration. Although this course may be used to meet UMD degree requirements, its grade will not be included in the student’s University of Minnesota GPA.
- Only the most recently completed credits can be applied towards graduation requirements.
- A notation will be added to the transcript that the UMD course was repeated at another institution.
- Once a student has graduated, repeating a course as an undergraduate is not permitted.

**Students with Disabilities**—The Office of Disability Resources (DR) facilitates accommodations for students with disabilities. Available accommodations include assistance with note taking, sign language interpreters, test accommodations, alternatively formatted materials, and assistive technology. Specific accommodations depend on the student’s documented needs and are initiated per student request. For more information or to request accommodations, contact 218/726-6130 or visit http://www.d.umn.edu/access.

**Veteran and Dependent Registration**—All veterans and dependents attending under the G.I. Bill must have their enrollment certified (http://www.d.umn.edu/onestop/veterans/benefits/certification.html) by the University. Certification will not be considered complete until attendance is verified at the time of registration by reporting to the Veterans Resource Center, 102 Darland Administration Building. Those not completing this process will be considered as not attending and reported to the Department of Veteran Affairs (VA). Cancellation, transfers, or official withdrawal from all courses must also be reported immediately to the Veterans Resource Center. Withdrawal or receipt of non-passing grades may require return payment of G.I. Bill entitlement unless mitigating circumstances are submitted to and approved by the VA.

For more information regarding veterans benefits, visit the Veterans Resource Center website at http://www.d.umn.edu/onestop/veterans.
Withdrawal from the University—If you intend to withdraw from the University, you must officially cancel all courses. Only by completing this step can you be released from your responsibility for courses listed on your registration.

See Withdrawal from the University policy at http://www.d.umn.edu/vcaa/Withdrawal.html.

The permanent registration symbol W (withdrawal) designates official cancellation of a course and is posted by the registrar only on the basis of an official change in registration. The symbol is assigned in all cases of official cancellation only during the third through eighth week of classes; thereafter, withdrawal from classes is not permitted. After that date, students who believe they have extenuating circumstances may submit a petition to withdraw from classes. Students with outstanding financial obligations to the University are not eligible to receive official transcripts of course work completed.

The Office of Financial Aid and Registrar recalculates financial aid eligibility for students who withdraw, cancel courses, or are dismissed. If you withdraw or cancel classes and receive financial aid, you, as well as the Office of Financial Aid and Registrar, may be required to return to the federal government all or a portion of the aid disbursed to you and/or to your student account. Depending on when you withdraw or cancel classes, you may be eligible to receive a refund of tuition and course fees. Contact One Stop Student Services, 23 Solon Campus Center, (218) 726-8000 or umdhelp@d.umn.edu, if you have any questions on how withdrawing may affect your financial aid.

All University property such as library books, athletic equipment, band equipment, laboratory materials, locker keys or locks, and athletic tickets must be turned in to the appropriate office. You must make arrangements for an exit interview with Financial Collections, 129 Darland Administration Building, if you had a student loan. Students living in University housing facilities must submit a contract cancellation request to the Housing Office, 149 Lake Superior Hall.

FEES

You may access information about tuition, course fees and special fees for the academic year online at http://www.d.umn.edu/onestop/student-finances/tuition-fees/fees.

Student Service Fees

MPIRG—The Minnesota Public Interest Research Group (MPIRG) is a nonprofit, nonpartisan organization that is funded and directed by students. As a statewide advocacy group, MPIRG trains students to be active and engaged citizens and create social change. Students work for the environment, consumer rights, and social justice at both the statewide and local level.

A fee paid by students is what makes MPIRG possible. This fee is part of the Student Services Fee. The fee allows students to hire a professional staff to conduct lobbying, organizing, research, and litigation. During the past year, staff and students worked to promote clean and affordable energy in Minnesota, green our campuses, fight homelessness, educated students on their rights as tenants, encouraged youth to get out the vote, and organized earth week at UMD.

Student Legislative Coalition (SLC)–The SLC lobbies to express student views on University quality, affordability, and accessibility. This fee is part of the Student Services Fee.

PAYMENT TUITION AND FEES

Information on billing charges, installment plans, billing dates, and payment details are subject to change. Up-to-date information is located at http://www.d.umn.edu/onestop/student-finances/pay and http://www.d.umn.edu/onestop/student-finances/tuition-fees/fees.

Student Accounts Receivable (SAR) Billing—This system manages the billing and payment of tuition, fees, housing, UMD Stores, and other miscellaneous charges.

Payment of Tuition and Fees—All currently enrolled students with a University e-mail account will be billed electronically. Electronic payments will also be accepted. You will receive notifications at your University e-mail account that your bill is ready to pick up. You will be directed to a secure website to view and/or print your billing statement. You will have the option of making payments electronically from any U.S. bank account. See the Pay UMD web page at http://www.d.umn.edu/onestop/student-finances/pay has full details. You will have approximately three weeks from the date of the billing statement until tuition and fees are due. Any charges incurred due to misaddressed or lost billings will be the responsibility of the student.

NOTE: If you are a non-degree-seeking student, you must pay your tuition bill in full by the first due date. If you do not pay, your registration will be cancelled, and you will be dropped from your class(es). If you cannot pay your student account in full by the due date, please contact Continuing Education at cehelp@d.umn.edu, (218) 726-8113, or 104 Darland Administration Building, if you have questions or need assistance.

Payment Options—The billing system allows you the option of paying the full balance on your billing statement or making installment payments. Installment billings are produced three times each semester. There will be a re-billing charge assessed to your account on the first installment billing. If your payment arrives after the due date, you will be assessed a late payment fee and an installment/rebilling fee. See http://www.d.umn.edu/onestop/student-finances/tuition-fees/fees/other-fees.html for fee amounts.

NOTE: The minimum due is a percentage of your balance. If you plan to pay in installments, wait for your billing statement to determine the minimum amount you need to pay.

Tuition and Fees Paid by Various Agencies—If you have authorization for the University to bill a sponsoring agency for your tuition and fees, bring your authorization to Student Accounts Receivable, 129 Darland Administration Building, as soon as possible.

NOTE: You will have a hold placed on your record if your sponsoring agency falls behind in payment for one semester. You will ultimately be held responsible for all unpaid tuition and fees if your sponsoring agency does not fulfill its obligations. It is your responsibility to monitor payments made to your account by your sponsor.

Late Payment Fees—Your payment must be received by the due date to avoid a late payment charge. Allow sufficient time for mail to reach the cashier’s office or complete your online payment prior to the 5 p.m. cutoff. If your payment is less than the minimum due or arrives after the due date, you will be charged an installment/rebilling fee and a late payment fee. See http://www.d.umn.edu/onestop/student-finances/tuition-fees/fees/other-fees.html for fee amounts.

Holds—If you do not pay the minimum due on the billing statement by
the due date, a hold will be placed on your academic record. This hold must be cleared before you will be allowed to receive a transcript or before you can register again. Contact One Stop Student Services, 23 Solon Campus Center, for information on releasing your hold. Online payment of past due accounts will require a 15-day waiting period before the hold can be released. Payment with a personal check will also require a 15-day waiting period.

Billing Statements—Paper billing statements will be mailed only to those students who do not have University e-mail accounts, to those who are not currently registered, and to senior citizens. All other students will receive notification at their University e-mail account when their bill is ready online. You will be directed to a website to view and/or print your billing statement. This billing statement is a snapshot of your student account as of the statement date. Transactions after the billing date will not be reflected until the following statement. To view the most up-to-the-minute transactions, go to http://www.d.umn.edu/onestop and click on Student Account under Quick Links in the right-hand column. It is your responsibility to keep an updated mailing address on your University record. You can verify and update your mailing address by clicking on Personal Information, also listed under Quick Links at http://www.d.umn.edu/onestop.

You are responsible for any and all costs necessary for the collection of any amount not paid when due. If you fail to pay your account, and your account is placed in collection, you will be subject to an additional late payment fee. Delinquent accounts will be assessed this charge while the account is in a monthly billing status. You are encouraged to pay your account as quickly as possible to avoid these billing charges. See more information at http://www.d.umn.edu/onestop/student-finances/pay.

NOTE: If tuition is paid with a personal check or e-payment that fails to clear the bank, your registration will automatically be cancelled.

Financial Aid—Most financial aid is credited directly to your Student account. A billing statement will be generated if financial aid does not cover 100% of your bill or if financial aid has been billed back to you as an overpayment due to a reduction in credits.

If your account has bookstore charges, installment and late fees, or other miscellaneous charges, and you do not authorize payment from your financial aid funds, you may receive both a bill for the charges and a financial aid credit balance check from your account. You will be responsible for arranging payment of your bill.

- Online: You may make payments online from your checking account, savings account or credit card, 24 hours a day, 7 days a week. Simply click on the billing and payment tab on your student account or go to http://www.d.umn.edu/onestop/student-finances/pay/online. Payments must be completed by 5:00pm (CST) on the due date.

- By Mail: Mail your check or money order made payable to the University of Minnesota Duluth and the top portion of your billing statement to:

  UMD Cashier’s Office
  140 Darland
  1049 University Drive
  Duluth, MN 55812

Make sure to mail your payment with enough time to arrive by the due date to avoid the $30 late payment fee and the $35 rebilling fee.

- In Person: Cashier’s windows are located in the lobby of the Darland Administration Building. Hours are 8:30 to 3:30 p.m. Monday through Friday.

- Drop Box: You may deposit your check or money order made payable to the University of Minnesota Duluth (no cash) along with the top portion of your statement in the payment drop box located next to the Cashier’s Office in the lobby of the Darland Administration Building.

Important Note: Payments must be made in U.S. funds. All payments must arrive by close of business on the due date to avoid the late payment fee of $30.00 and the rebilling fee of $35.00.

Collection Fees and Procedures—By registering for classes, you enter into a legally binding contract to pay all tuition and fees, including any nonrefundable fees. Past due accounts may be subject to handling charges and collection procedures. Collection can include court action and referral to outside collection agencies. You are responsible for any and all fees necessary for the collection of any amount not paid when due. You will be assessed a return fee for any payments returned by the bank as unpaid. See http://www.d.umn.edu/onestop/student-finances/tuition-fees/fees/other-fees.html for fee amounts.

**FINAL EXAMINATION SCHEDULE**

http://www.d.umn.edu/onestop/calendar/final-exam-dates.html

If class starts on the quarter or half hour use the on hour start time.

Example: for a class which normally meets at 9:15 or 9:30 MWF, use the exam schedule for 9:00 MWF.

When one or more common exams are scheduled at the same time, priority is given to the earliest class time, as determined by the Class Schedule.

For information on scheduled common exams and final exam room assignments, once the semester begins visit http://www.d.umn.edu/onestop/calendar/final-exam-dates.html.
