YMCA Out-of-School Time Programs

The YMCA Out-of-School Time Programs operate at five elementary schools in Duluth and are dedicated to “Helping kids build confidence and motivation for school and life”. Our safe and engaging before and after school programs complement the school day and create an enriching environment that fosters positive youth development. We provide opportunities for students to receive academic support (both 1-1 and in small groups) and develop life skills through enrichment activities.

Opportunities:
- Mentor/Tutor students in grades K-5
- Lead a group of students in a club/activity/special project
- Work with a diverse group of students
- Implement Best Practice Standards for a high quality OST Program
- Network with community organizations, members and school personnel
- Gain experience and attend trainings on how to effectively work with youth
