Some tips on dealing efficiently with

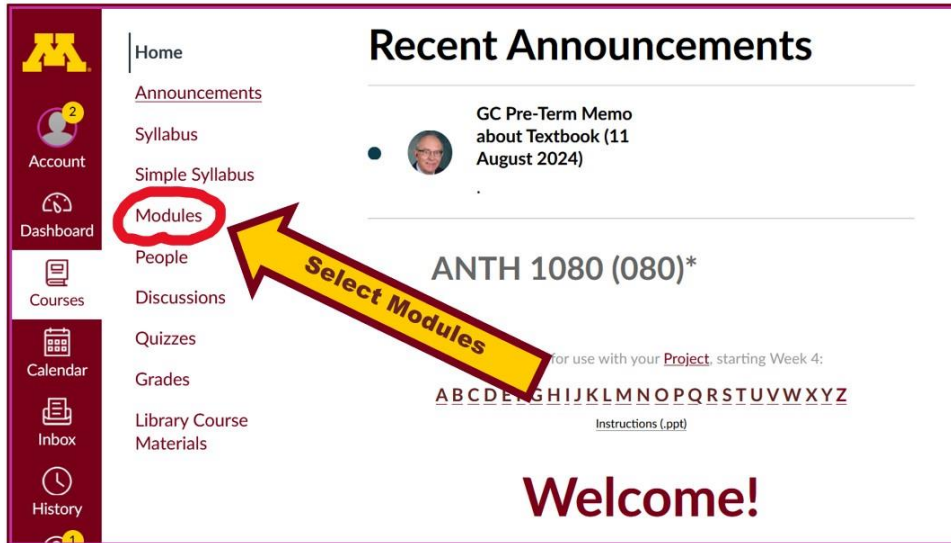

Wrestling Canvas “Modules”

One of the main complaints regarding Canvas is that it can be difficult to find and keep track of assignments.

Right now, before you do anything else, try this to help fix that problem . . .

First access Your Canvas Modules from your “Home Page” . . .

REM: Links on screenshots are not "hot" (active)

That will take you to your Canvas "Modules" file and that will look something like the screenshot below. Notice (in the screenshot below) that in the upper right-hand corner there is a button that usually says "Collapse All": . . .

(The first two weeks there is always a lot of information. After that, it's not so bad.)

REM: Links on screenshots are not "hot" (active)

If you like a really clean-looking de-cluttered page that is also efficient to work with, click on the “Collapse All” button  in the upper right-hand corner of your Modules folder to de-clutter your screen. That will make your life *much* easier.

VOILA!

The de-cluttered collapsed version of your Modules will look something like the screenshot below, and the button will have changed to “Expand All” . . . .

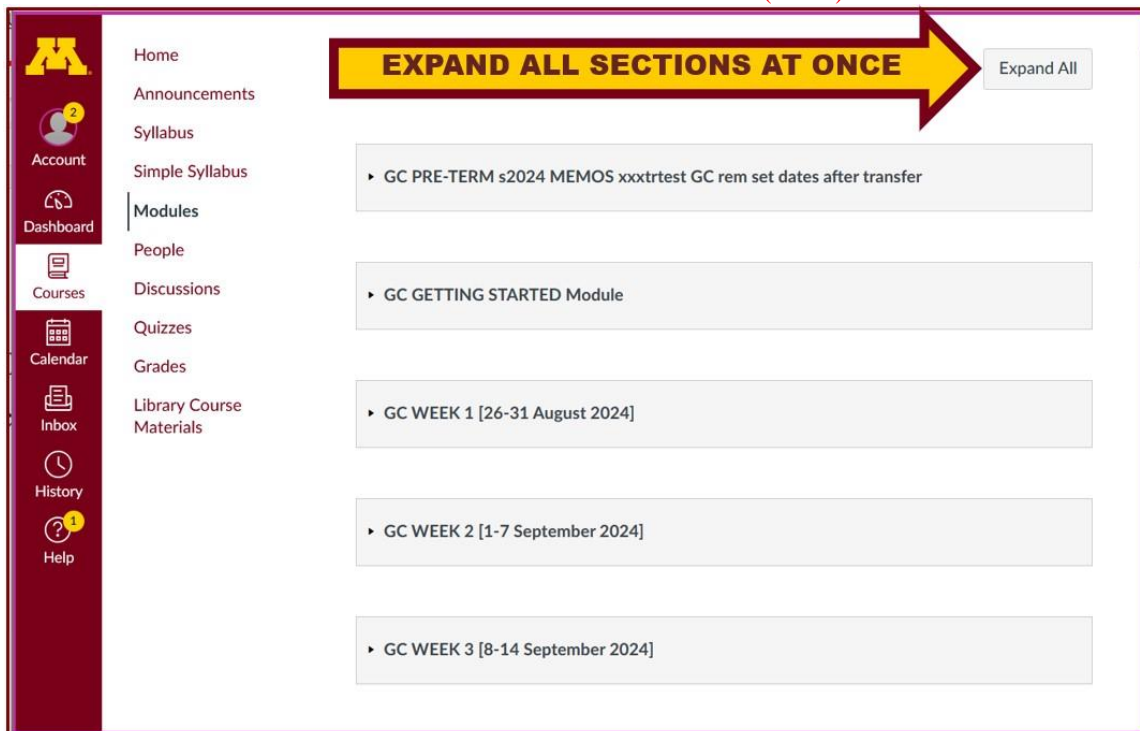

Your Modules folder will look something like the screenshot below and what is shown on that screen contains more than a month’s worth of information).

It’s generally a good idea to collapse your Modules when you are not using all of them.

(Sorry; Canvas does not permit instructors to set the default to open with all modules closed.)

You can always . . .

REM: Links on screenshots are not “hot” (active)

Or open just the information that you want to look at one week at a time . . . :

How to Open Closed Modules

Open each Module one-by-one as you want to look at it . . .

REM: Links on screenshots are not “hot” (active)

The screenshot shows a Canvas LMS interface. On the left is a dark red sidebar with navigation icons for Home, Account, Dashboard, Courses, Calendar, Inbox, History, and Help. The main content area has a light gray background with a list of modules. At the top right of the main area is a yellow button labeled 'Expand All'. A large yellow arrow points from this button towards the left. Below the 'Expand All' button is a list of modules, each with a red play button icon on the left. The first module is 'GC PRE-TERM s2024 MEMOS xxxtrtest GC rem set dates after transfer'. The second module is 'GC GETTING STARTED Module'. The third module is 'GC [August 2024]'. The fourth module is 'GC WEEK 2 [1-7 September 2024]'. The fifth module is 'GC WEEK 3 [8-14 September 2024]'. A large yellow arrow points from the 'GC GETTING STARTED Module' towards the left, with the text 'open / close Modules as you need them' written inside it.

Other Helpful Canvas Information is Available
